English	9	Good	Good	Good

### Which academic school subjects interest you most and why?

I am very interested in science, especially chemistry and biology because I'm very interested in science, but I also think foreign languages are interesting because I like to communicate with other people in their native language.

### What are your plans when you are done with your school?

I would like to travel around and maybe be an Au Pair for a year. Later I would like to study at a university and I would like to study languages, but I'm not sure yet.

## Form D - Student description

, Carolin (#15449) Germany to Italy in Secondary School 2017.Q3 Year

### You

#### How would you describe yourself?

I would describe myself as an open, polite girl who can sometimes be a bit shy at first. I would say I really like to laugh and to be happy which is why I would say I'm a humorous person.

#### How would one of your friends describe you?

She would describe me as an open-minded girl who is ambitious, but also modest.

#### How do you hope your exchange year will influence you as a person?

I hope it will make me less shy and I think I will have gained more experience in contact with foreign cultures and people.

### Your activities

Can you swim?

Can you ride a bike?

### Instruments

Instrument	For how many years?	Continue during exchange?
recorder	5	I don't know
guitar	4	I don't know

### Choirs

Kind	For how many years?	Continue during exchange?
local school choir	2	I don't know

#### What kind of music do you listen to?

Rock, The Beatles, Pink Floyd, Die Toten Hosen etc., 80s Pop

### Sports

Name	Team or recreational	For how many years?	Continue during exchange?
dancing	at the local gym	3	I don't know

#### What kind of sport do you like to watch, if any?

None given.

### Clubs/Organizations/Religious groups/Volunteer engagement

Club/Organization/Activity	For how many years?	What do you like about this activity?	Continue during exchange?
youth group	2	I like talking to other people and having fun with them.	I don't know

### Other hobbies

#### What other hobbies do you have?

drawing, reading, sewing, inline skating, cooking

#### What do you like about your hobbies/activities?

I like being creative.

#### Which activities would you like to try while on exchange?

I am not sure.

#### What do you like/enjoy?

Baking, Computer games or similar, Cooking, Drawing, Listen to music, Painting, Programming, Read books, Travel, Watch movies

#### Tell us something about the things you like or don't like above.

I like drawing and painting because I like being creative. I often read or watch movies because I am very interested in stories. I also like programming because I am fascinated by their technical capabilities. I don't really like shopping because it is not that important to me, although I don't totally hate it.

### Your friend and family life

#### What are some activities that you do with your family?

cooking, baking, bicycling tours, sport (dancing) with my mother

#### How would you describe your family's lifestyle?

I think we are a normal family. My father is working a lot during the week and my mother is caring for my sister and me. At the weekend, we usually have time for family activities.

**What do you usually do with your friends?**

talking, bicycling tours, watching movies...

**What chores and rules are you used to in your home?**

Cleaning my room, Helping with family meal preparation/cleanup, Asking for permission to go out with friends, Having a time at night to be home (curfew)
